

Creative Competition Activity Picture Postcard

You are invited to create a picture postcard of an activity you enjoy doing at home or in your local area and we ask you to include a rainbow in your design. This could be a rainbow path, if you are on a walk, a rainbow ball whilst playing football or any other sport, riding your rainbow bike, reading a rainbow book in your bedroom. There are many more you can think of, I am sure.

We welcome entries that have been created with crayons, pencils, pens and paint.
