

# Summer Reading 2022 - Photography Competition

This year's creative competition is linked to the Book of Deer returning to the North-East of Scotland for the first time in approximately 1000 years. Images and Doodles in the book reflect culture and society and can tell us a lot of what life was like in this area at that time.

You are invited to capture an image of day-to-day life, society, culture, or landscape, that if the image was found 1000 years from now, it would tell a story of life in Aberdeenshire in 2022. You have the option to submit your image via email, details overleaf, along with a voice recording of no more than 20 seconds long describing your image, and why you think this would reflect life in Aberdeenshire 2022.

## Age Group - Tick Circle

6 to 11yrs

12 to 17yrs

18+

Name	
Address & Borrower Number, if known	
Email (Contact you if you are a winner)	
Local Library	

10 images will be selected from each age group and digitised, and then will be included in an online book to be added to the Library Catalogue.

Three main winners will be selected, one from each age group. Local photographer and author, Andy Hall will be the independent judge selecting the winning images.

The information you provide above will be used to get in contact if you are an overall winner in the Competition **ONLY**.

To enter either drop off your completed entry form with your image local library or send via email to [summerreading@aberdeenshire.gov.uk](mailto:summerreading@aberdeenshire.gov.uk).

You can also post your entry to:
